Dear Versatile Gun Dog Owners:

We are looking forward to a great test weekend this spring. We will be holding the BWPGCA test at the Mazomanie Wildlife Area about 25 miles south of Baraboo, Wisconsin. We will be starting at 7:30 AM each morning. Please note that we will be testing on Friday, Saturday and Sunday if needed. NAT and IHDT are required for BWPGCA registered dogs, but other versatile gun dogs are welcome. See the test flyer for details on motels and a map to the test grounds. Take note that there will be dog-friendly rooms available at the Motel 6 north of Baraboo.

Enclosed is your entry form for testing your dog at the Spring Test in Wisconsin. [Note: We prefer that you complete and print the on-line forms available on the website.] Also included are the flyer, Cornell University Project health data forms, (for IHDT entries only) and a return slip for the no-host Saturday dinner. Visit our web page at: <https://bohemiangriffon.org/progeny-testing/heartland-tests/> to download fillable entry forms and make meal reservations. We are not asking for dinner money now, we just need numbers as early as possible, so we can let the caterer know how many to plan for. We will be having our usual Pizza Night at the Baraboo Pizza Ranch on Friday evening. NOTE THE VENUE FOR DINNER IS THE COACH HOUSE 114 W Broadway St, Rock Springs, WI 53961.

Please get your application in early. The deadline is March 20th but we would really appreciate if you sent it as soon as possible. We will hold your check until the application deadline if you wish.

<p>Send checks and entry forms to: Judy Coil 49625 Waldo Rd NE Kelliher, MN 56650</p>	<p>Note: You also need to send a copy of your dog's up-to-date Rabies and Parvo DHP/L vaccinations and a copy of your dog's Official Pedigree front and back.</p>

Please let us know immediately if you cannot test your dog, or if you plan to test with a different chapter. We will be looking for bird handlers and photographers for the test so if you will be willing to help please let us know.

Sincerely,

Dave Read
Field Test Chairperson

The Heartland Chapter of the BWPGCA

Early entries would help us out tremendously. Post-dated checks will be accepted and held until date on check.

Dogs are eligible for the Natural Ability Test from the age of 6 months up until and including the day they reach 16 months of age. Dogs over age may be entered for evaluation only. Dogs are eligible for the Intermediate Hunting Dog Test from 12 to 24 months of age. Dogs over 24 months of age may be entered under the special category of Older Hunting Dog Test and will be judged more severely in obedience based upon their age. Dogs over 18 months of age are eligible for the Utility Field Test. Versatile breeds other than Cesky Fousek (Bohemian Wirehaired Pointing Griffons) are eligible and welcome for all tests. Contact the test chair for details:

Lunch will be available at the test site on test days.

Please - remember that cars kill dogs. Keep your dog on a leash at all times when in the vicinity of a road or driveway. Do not rely on a well trained dog.
Use A leash.

Owners of all dogs on the test site - whether or not the dog is entered in a test - must have proof of the following vaccinations: Rabies, Parvo/DHP/L.
No dog will be allowed on the test site without this documentation.

Please note that WPGCA and chapter clubs are not responsible for injuries to persons or dogs at the test site. Field and water conditions, as with your own hunting grounds, may contain fences, rocks, stumps, holes, or hidden objects that could cause injury.

No-Host Dinner will be at THE COACH HOUSE 114 W Broadway St, Rock Springs, WI 53961 Saturday evening, 7:00 PM
 Please complete the on-line form or contact us by phone, email, or return slip if you plan to attend.
Money for dinner will be collected at test site, but we need your reservations now.
