

CESKY FOUSEK NORTH AMERICA PUPPY DEPOSIT AGREEMENT

THIS AGREEMENT is made and entered into as of this _____ day of _____, 20_____,
by and between CESKY FOUSEK NORTH AMERICA (CFNA) and _____
_____ hereinafter referred to as "Buyer" with residence at
_____(address).

Preamble

The Puppy Deposit is intended to help the CFNA accurately estimate the number of puppies to produce each year and help assure that each approved buyer purchases a puppy. It is desirable for the CFNA, individual breeders and the puppies when approved buyers follow through with puppy purchases. The price of a pup is \$1,250 and the Deposit will be applied toward the purchase price.

Approved Buyer Procedure. In order to receive a puppy from the next puppy cycle, the Buyer must:

- Be a current member of the CFNA, and have joined the CFNA Chapter in the area of the Buyer's home,
- Have completed an application for a puppy, and
- Be approved to receive a puppy by the CFNA Puppy Coordinator.

The Approved Buyer will then fill out this form and submit a \$400 Puppy Deposit to the CFNA Treasurer.

Refunds. The Puppy Deposit is intended as a firm commitment to purchase a CFNA puppy. The Deposit will be refunded if the CFNA does not offer the Buyer a puppy during the next puppy cycle, which is usually March through July.
