BUYER's Address _____

Preamble

ČESKÝ FOUSEK NORTH AMERICA is a club of hunters who work to protect, promote and improve the ČESKÝ FOUSEK breed. The CFNA uses a controlled breeding program based on genetic principles and testing progeny to evaluate confirmation, temperament, health and hunting qualities to help determine whether those desired qualities are being achieved. To help maintain control of the Breeding Program, the Breeder will always remain as a co-owner of the Puppy.

The Puppy Deposit Agreement is intended to help the CFNA accurately estimate the number of puppies to produce each year and help assure that each approved buyer purchases a puppy. It is desirable for the CFNA, breeders and puppies, when approved buyers follow through with puppy purchases. The price of a puppy is \$1700 and the \$400 Deposit will be applied toward the purchase price.

Approved Buyer Procedure. In order to receive a puppy from the next puppy cycle, the Buyer must:

- Be a current member of the CFNA, and the CFNA Chapter in the area of the Buyer's home,
- Complete an application for a puppy, which is sent to Thomas Wyse, The CFNA Puppy Coordinator.
- Within a few days, Thomas will contact you and send you a link for a Puppy Deposit Agreement that facilitates applying for a puppy. (this form)

The Approved Buyer will then fill out this form and submit a \$400 Puppy Deposit.

My \$400 check, (payable to CFNA) has been mailed to the CFNA Treasurer.
